

Our home is situated at 13C Gregory Street, Golden Beach, a short walk from the waterfront which is very suitable for swimming and boating, but not surfing. (On Google maps, it doesn't always work. If you look at Gregory Street it is opposite Palmer Avenue.) Our house is not ultra-modern with a pool and ocean views however it is homely and very relaxing. It is not in the hustle and bustle of the surf area but is only a few minutes' walk from the beach. It has a deck from which you look out onto lovely trees. You can sit in the backyard under the trees for a meal or to relax and read a book.

Downstairs is separate and will be vacant but is not available for rental. The backyard is fenced. We are happy to have a small dog but no other animals. There are extensive bikeways along the waterfront and a children's playground is near the end of the street.
