Missions Interlink Member Fees 2017-2018

Annual Fee

The increase to the MI annual renewal fee this year has been kept as low as possible. Apart from the other benefits, payment of the fee gives your staff and volunteers a discount for many MI activities, and provides access to reduced rates for [corporate travel insurance](#) and [long-term travel insurance](#).

Donation

As membership fees cover less than half of Missions Interlink's annual costs, if you are able to, we invite you to add a donation to assist with support for the National Director and other staff.

MI State Contacts

Persons named in this section will be entitled to vote on behalf of your organization at MI meetings for state branches. However, everyone is welcome to attend meetings and is encouraged to be involved in MI activities.

Notes to assist in completing statistics and in calculating annual membership fees

If your organisation is already registered as a Mission Seek Basic Partner, this will automatically be renewed with MI fee payment.

The Mission Seek Full Partnership is available on payment of the full subscription, more information about Mission Seek Subscriptions [here](#). For this year only, *renewing Mission Seek Full Partners* will receive a one off renewal discount in compensation for some teething issues that were experienced with the Mission Seek portal during 2016/17.
