

Missions Interlink Member Fees 2014 - 2015

Donation

As membership fees do not cover all Missions Interlink costs, you are invited to add a donation to assist with support for the National Director or other staff.

MI State Representatives

Persons named in this section will be entitled to vote on behalf of your organization at MI meetings for state branches. However, everyone is welcome to attend meetings and is encouraged to be involved in MI activities.

Accreditation Fee

This fee is a contribution towards the cost of assisting and reviewing the compliance of Member organisations to ensure they meet the requirements to be prescribed under Income Tax Regulation 50.50.02 as Members of Missions Interlink.

Additional Member Entities

Organisations that include more than one legal entity (e.g. branches or divisions) shall be treated as a single Member for voting purposes. However, an Accreditation Fee is payable for each entity to be listed as a Member of a prescribed institution.

Personnel

Includes all home staff, all field staff (as well as those on home assignment) and full time volunteers.

Fractions: Staff or volunteers serving less than full time should be counted as an appropriate fraction, but the final total should be rounded up to the next whole number. Casual volunteers should not be included.

Seconded staff (home or field): These should only be counted by the agency that pays their support.

Donation Income

Includes all gifts received during the organisation's latest financial year for the support of the organisation, its staff and ministries. Exclude income such as interest, rent, trading or other earned income. Also exclude funds that are channelled through your organisation to another member organisation for support or distribution; i.e. only the agency that actually uses or distributes the funds should include these funds in their income.

GST: 10% GST has been automatically included in the fee. This amount may be recovered through your BAS.
