

## Introduction

**The Mission Matching Service (MMS) provides an initial interface between enquirers and agencies** where enquirers can easily investigate a wide range of mission opportunities. Together with the associated Top Needs and Teams pages, where Partners can list some of their opportunities, people who are serious about mission but uncertain about a destination or ministry opportunities can explore their options because information from many diverse agencies is available in one place to help them make decisions. These enquirers are strongly encouraged to enter their “personal profile” using the Mission Matching Service and check out the resulting “matches” with Partner Agencies. These profiles are basically expressions of interest as candidates.

There are two portals, one on the MI website and one on the SWN website. Your Partnership will allow you access to people through both sites. People of all ages can access the MMS – from the non age-specific MI site and from the niche SWN site which caters for people in the over 40 age group.

## 1. Limited Partnership Features

The “Limited Partner” category is designed for agencies that are interested in connecting with enquirers, but do not wish to mine the database. We are able to offer the following features in this category:

### The Mission Matching Service:

1. **A “profile matching” facility** where
  - You can enter your agency profile details and update them as required;
  - Enquirers can enter their personal profile details and update them as required;
  - You can access limited details of all enquirers who have agreed to a privacy clause allowing agencies to view their data;
  - Enquirers have password protected, immediate on-line access to conduct searches and view matches with agencies. (Limited partners cannot access the enquirer database.)
2. **A Top Needs facility** where you can enter details of up to 5 opportunities - on-line for regular update and management, password protected.
3. **A Short Term Teams facility** where you can enter details of your upcoming short term teams - on-line for regular update and management, password protected.
4. **A web link to your site** with a brief description of your agency and contact details.
5. **Promotion of the Mission Matching Service** at mission expos and events where MI is present.
6. **Access to information about your events via the SWN E-letter** when you enter this information on the MI website.
7. **Consultation and training** in the use of the matching service software for your staff.
8. Access to the service **through either portal** to manage your details.

### Additional Services provided by SWN:

9. **Opportunities and Events e-newsletter** circulated to all people who lodge their profile through either portal, or who subscribe via the SWN website, on a quarterly basis. These listings include direct links to the relevant pages on your web-site and your events listed on the MI website.
10. **SWN Representation in a number of states:** these reps will be available to make presentations and /or provide displays at conferences, expos, churches, etc.
11. **Provision of SWN brochures** for use by your regional representatives as requested.

## 2. Limited Partnership Benefits

- 1. Wider Exposure for your Agency:** The MI and SWN websites provide your agency with further access points for enquirers. You will benefit from exposure to individuals who may not know of your specific agency but who find it listed on these sites during the course of their investigations. Enquirers who want to explore possible sending agencies but “do not know where to start” can find detailed information about your agency.
- 2. A Bigger Pool of Potential Recruits:** All enquirers who register a profile will be able to view your full agency profile and check how they match against your criteria. You will receive a list of new or updated enquirer profiles by email approximately every two months which you can use for recruitment purposes subject to the SWN privacy policy.<sup>1</sup> (Limited Partners cannot check matches, nor conduct searches of enquirers.)
- 3. Direct Agency Profile Entry and Management:** You will be able to register and update your own agency profile and general ministry needs **on-line** for **immediate access** by enquirers accessing the service through both the MI and SWN websites.
- 4. Advertising on the Top Needs page:** You are able to directly list and update your personnel needs (generic or specific) in the database. There is no extra charge for this advertising and it can be changed as often as you like. These opportunities should be varied to include items suitable across a range of ages. *.This is one of the most frequently accessed pages on our website.*
- 5. Promotion of your Short Term Teams:** As with your Top Needs, you will be able to directly list and update your Short Term Teams (generic or specific) in the database.
- 6. Website link:** Your distinctive description and a link to your website will be displayed on the MI and SWN webpages (unless you have security issues about which you inform us).
- 7. Credibility:** All Partners must either be members of Missions Interlink Australia OR otherwise approved by MI for participation in the MMS.

## 3. Limited Partnership Commitment

- 1. Contact with MMS Manager:** Appoint a contact person, preferably a mobiliser, who receives enquiries generated by your profile *and* an additional “link” person with whom the MMS Manager liaise easily and who will also be responsible for entering and updating your agency information. (One person can do both these tasks quite easily BUT we need a second name in case the main person is absent.)
- 2. Information Currency:** Keep your Agency Profile, Top Needs and Teams information current.
- 3. Recruitment:** Actively use the MMS as a recruitment tool by
  - checking the list of new or updated enquirer profiles sent by email approximately every two months.
  - following up enquirers who have expressed an interest in your agency as soon as possible.
- 4. Integrity:** Respect enquirers’ options and do not override the preferences expressed in their profile. Be prepared to refer them to other agencies if necessary.
- 5. Staff awareness:** Ensure your recruitment staff and office personnel are aware of the partnership you have entered into with MI to facilitate enquiries referred through both MI and SWN.
- 6. Promotion:** Promote the MMS through your agency, as appropriate.
- 7. Partnership Fees:** Pay the annual Agency Partnership Fee to partially support the MMS and associated services. (The partnership year runs from July 1 to June 30 of the following year.)

# LIMITED PARTNERSHIP PACKAGE

8. **Feedback:** Provide statistics re recruitment and enquiries generated through the MMS and other information from time to time to assist with performance evaluation. Provide testimonies/stories/photos for, presentations and publications from time to time.
9. **Privacy:** Agree to not use contacts from the MMS for purposes of fund raising or in any other way contravene the provisions of Australian Privacy legislation or the SWN & MI Privacy policies.<sup>1</sup>
8. **Ethical Standards:** Be a member of Missions Interlink Australia OR otherwise approved by MI for participation in the MMS.

## 4. Limited Partnership Fee Schedule

This is based on fee for service without regard to agency size. This fee covers only a portion of the annual budget and will be used towards, web hosting, maintenance and upgrading of the site and other administrative expenses.

Limited Partnership Annual Fee Schedule	
Annual fee July 1 thru June 30	\$250 + GST
For new Limited Partners joining part way through the year the fee is prorated per half-year	\$125 + GST

## 5. Contact Us
